SUMMARY

B.Tech student in Computer Science with experience in web development. Worked with Node.js, Express.js, and RESTful APIs. Proficient in front-end and back-end development. Eager to expand my knowledge and gain hands-on industry experience.

EXPERIENCE

AI - ML Internship

AICTE-EduSkills

September 2023 - November 2023, Remote

- Engaged in a virtual internship focused on AI and Machine Learning, gaining practical experience in cutting-edge technologies.
- Successfully completed tasks and projects that showcased proficiency in AI and ML concepts, algorithms, and tools.

Web Development and Designing - Internship

Oasis Infobyte

June 2023 - July 2023, Remote

- Successfully completed several tasks, demonstrating proficiency in HTML, CSS, and JavaScript.
- Developed and implemented web solutions, showcasing creativity and problem-solving skills.

PROJECTS

Car Price Predictor

- Engineered a Full Stack Car Price Predictor using Python, integrating front-end and back-end development for a seamless user experience.
- Implemented advanced machine learning models for accurate car price predictions, showcasing expertise in data science and model deployment.

Clone Pepsi Landing Page

- By completing this project, I enhanced my web development and design skills significantly. I gained valuable experience in replicating complex web pages, ensuring cross-browser compatibility, and making web applications responsive to different devices.

Vaccination Report

April 2023 - June 2023

EDUCATION

Bachelor of Technology

SRM Institute of Science and Technology · Chennai, India · 2025

High School

Best High School · Ahmedabad · 2021

INVOLVEMENT

Committee Head

SRM Institute of Science and Technology · Aaruush · January 2022 - Present

- Collaborated with a team to coordinate guest speakers, ensuring a smooth and engaging experience for attendees, Established and maintained strong relationships with guest speakers and sponsors, enhancing the college's external network.
- Led the successful execution of Aaruush'23, which hosted 50+ guest speakers and attracted 75000+ attendees.
- Mentored and trained a team of 50 juniors in event management, resulting in increased efficiency and effectiveness.
